### Monitoring

4 monitors, when possible 4 groups (mainly own vocal).

### Backline (when provided)

The Parking Lot Pickers use:

- a simple drumkit: kick, snare, 1 rack- & 1 floortom, hi-hat, ride, 1 crash;
- a bass-amp;
- a guitaramp, pref. Fender tube-amp;

Band brings own guitars, lapsteel and bass (upright or bass guitar). When an upright-bass is provided by organizer, band can bring own bridge, strings and pickup.
